In addition to the fun, this is the time of the year where you need to start thinking about the colder weather to come, as it is never a good idea to forget about winter. At OPP we offer a variety of different products to help you stay warm, from socks to t-shirts. One of our favourite suppliers is Tapas. The gingham patterned jumpers are great for the cooler days of winter, the navajo embroidery on the chest is so stylish and the cashmere is extremely soft and comfy. If you are looking for something a bit more flash, we've got the sleek and smart OPP polo. It features one of our signature 'OPP' text across the chest, which you'll be seeing everywhere over the next few months. Another favourite we have are the Polar jumpers. Available in our signature rainbow and a whole range of colour options, these keep you warm, but also look fantastic. The UK's best selling online store for football fans is part of the OPP family, of course, so you are sure to find those special match day moments in style.
